

Thank you for purchasing PRINT GOCCO Stamp Kit for Cloth.

IMPORTANT SAFETY INSTRUCTIONS (Retain for Future Use)

Read all instructions before using "PRINT GOCCO Stamp Kit for Cloth". Important safety warnings are presented using the following symbols with appropriate word reference.

WARNING	Failure to comply with instruction may result in death or serious injury
CAUTION	Failure to comply with instruction may result in personal injury or damage

The following instructions refer to the ink contained in "PRINT GOCCO Stamp Kit for Cloth" when used as intended.

WARNING

- Avoid ingestion. Keep the ink away from children to avoid accidental swallowing. Also, avoid printing on the materials which may contact on food directly.
- * If swallowed, seek prompt medical attention. Do not induce vomiting.

CAUTION

- Avoid prolonged contact with skin. Wash hands immediately after use.
- * When the ink attaches to eyes, immediately wash them with running water and seek medical advice.
- * When the ink attaches to skin, wash them with soapy water.
- Use only in a well ventilated area.
- Do not print on the materials that will be used on or by infants 24 months old of age or under.
- The ink may leave a stain on clothing. Wear old clothes, coveralls or other protective cloths when using the ink.
Be sure to keep your work space clear.
The ink which stained on clothes etc. will not be came off completely even after washing them.
- Keep out of the reach of children.

ABOUT OTHER POINTS:

CAUTION

- Be cautious of burns when applying an iron / a hair drier. Also, be cautious of burning pad paper and printing materials.

Regarding other cautions, follow the instructions of the iron / hair drier.

- * As for PRINT GOCCO itself and PRINT GOCCO lamps, read your PRINT GOCCO instructions.

NOTE: WHEN USING "PRINT GOCCO Stamp Ink for Cloth"

- The ink is for exclusive use with PRINT GOCCO Stamp for use on cloth only.
- Always use RISO HiMesh Master already imaged by PRINT GOCCO.
- Squeeze out 2 cm-long ink and discard it in the first use.
- Avoid printing on the following cloths; Cloths which contain less than 50% of cotton / spun mixed with nylon / napped cloths such as towel cloth and velvet / surface treated cloth such as starched or waterproofed cloth / clothes with a very rough texture.
- Do not leave an interval of more than 3 minutes between each stamping since the ink on the master dries easily.
- Do not mix with other inks (RISO HiMesh INK, PRINT GOCCO INK, etc)
- After printing, when the ink has dried, place a sheet of paper over the design and iron over it.
