

PROJECT SHEET #07

The following project is also associated with materials, designs and prints for projects #08 Placemats and #09 Window Curtains & Cafe Curtains.

Designs for this project can be printed with either the Stamp Kit for Cloth or screen printing using RISO ScreenMaster.

HOW TO MAKE A POT HOLDER

Equipment

- PRINT GOCCO PG-5, PG-11, B6 or PG Screen Printing Kit
- PRINT GOCCO Hand Stamper Unit (S-112 or S-113)
- Stamp Inks for Cloth in desired colours
- 1 x B6 Print Master (S-489)
- 2 x Print Lamps (S-105)

Materials

- Red cotton material 10cm x 10cm
- Quilted cotton 20cm x 20cm
- 100cm of 2cm wide damask tape for edges

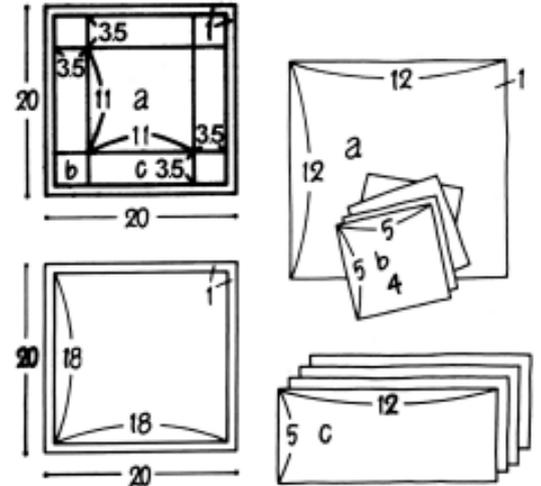

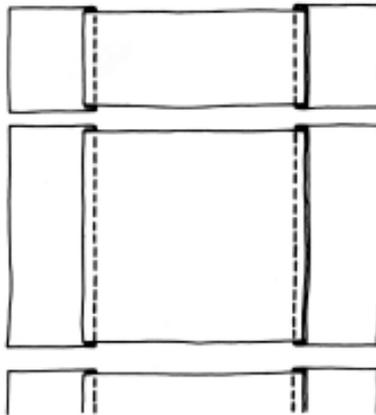

Method

Step 1

Prepare the patchwork cloth and print your design onto the white cotton.

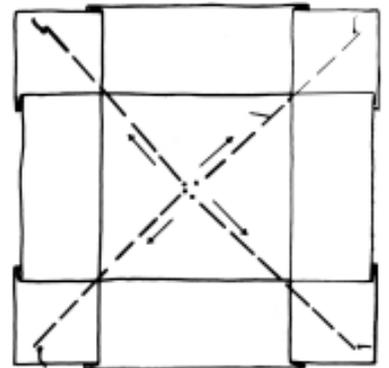

Step 2

Patchwork and create the front.

Step 3

As shown in the diagram, right, tack the three layers together.

Step 4

Line the edges with damask tape to seal the border.
